Perfection? It's never too much to ask. Our Colour Clear Through® system makes it easy to find the perfect colour match for your exterior design.

This exclusive selection of customer-preferred colours ensures that all Gentek products—siding, soffit, fascia, trim and rainware—will beautifully match throughout our vinyl, aluminum and steel product lines.

Classic Colours

6-1/2" Beaded

ENDURING ELEGANCE Classic charm is the hallmark of Berkshire Beaded premium vinyl siding. The graceful beaded ridge, subtle brushed texture and distinctive shadow lines of this generously portioned 6-1/2" profile will give your home a warm and inviting ambiance.

The Ideal Exterior

With Berkshire Beaded premium vinyl siding, you'll enjoy the timeless beauty of handcrafted siding but without the constant upkeep. Durable and dent-resistant, each panel is solid vinyl colour through and through, so it won't

chip, flake and blister like painted surfaces. And unlike wood, it won't rot and warp due to moisture. Berkshire Beaded confidently conveys classic good looks in a high-performance panel that's built to last.

Easy to Maintain

When you choose Berkshire Beaded for your home, you are eliminating most of your exterior maintenance. Vinyl siding never needs to be painted, so there's no need for dangerous ladders or time-consuming upkeep. Just an occasional rinse with your garden hose will remove most airborne dust and dirt. Your home will keep its handsome finish for generations to come.

Environmentally Friendly

Now more than ever, homeowners are "Building Green" and choosing products that are eco-friendly. As a sustainable material with a long lifespan, vinyl siding helps conserve wood and other natural resources that are often used in home construction. And because vinyl siding never needs to be painted, it reduces the amount of paint, stain, caulk and other maintenance-related substances entering the waste stream.

At Gentek, being environmentally responsible also means a strong commitment to source reduction at our manufacturing plant, where we recycle virtually all in-plant scrap vinyl and effectively reduce the volume and environmental impact of waste.

A Smart Choice

Your home may be your most important investment, so you'll want to give careful consideration to protecting its appearance and value. Berkshire Beaded vinyl siding not only will create an enjoyable, worry-free exterior, but will heighten your home's curb appeal as well. And in today's resale market, a beautiful, low-maintenance finish can greatly enhance the value of your home.
