

Cambridge®

Architectural Shingles – Limited Lifetime Warranty¹

IKO's Most Popular Shingle.

IKO Cambridge architectural laminate shingles in IKO's special Advantage size. Their exposure is bigger than most in their class, to go down fast and easy. And with full coverage, the job costs associated with extra bundles and the labour to install them are lowered, too.

Proper installation is vital for effective weather resistance. That's why IKO enlarged their nail line to guide installers for correct nail placement and made their Fastlock™ modified bitumen sealant thick and aggressive to promote a strong bond.

Homeowners will get the high-end designer architectural appearance without the high-end designer cost.

5
7/8" Exposure

 **Fastlock™ Sealant**

 **IKO® Advantage Size**

 **Full Coverage**
(100 SQ FT/3 BUNDLES)

Specifications²:

Dimensions (L x W): 1038 mm x 349 mm (40-7/8" x 13-3/4")

ASTM D7158 - Class H

ASTM D3161 - Class F

ASTM E108 - Class A

CSA A123.5

To ensure complete satisfaction, please view several full size shingles and an actual roof installation prior to final colour selection as the shingle swatches and photography shown online, in brochures and in IKO's app may not accurately reflect shingle colour, and do not fully represent the entire colour blend range, nor the impact of sunlight.

¹See Limited Warranty at IKO.com for complete terms, conditions, restrictions, and application requirements. Shingles must be applied in accordance with application instructions and local building code requirements.

²High Wind Application is required.

³All values shown are approximate.

⁴Products developed with reference to these Standards.

⁵Only available in specific areas. Speak with your local Roofmart representative for colour availability.

NOTE: Product and colour availability may vary by region. Please contact Roofmart for details. The information in this literature is subject to change without notice. We assume no responsibility for errors that may appear in this literature. | 07/2019.
