LASTING IMPRESSIONS

Certain to draw admiring glances, Concord vinyl siding presents traditional charm and appeal in an easy-care exterior. Rich, inviting colours embossed with a light roughsawn texture will wrap your home in year-round beauty and protection.

Built for Easy Upkeep

Siding your home with Concord means you'll never have to paint again. The colour goes all the way through each panel, so it won't chip, flake and blister like painted surfaces. And unlike wood, it won't rot and warp due to moisture.

Strong and resilient Concord is dent-resistant and virtually unaffected by exposure to harsh weather. There's no need for dangerous ladders or time-consuming maintenance. Just an occasional rinse with your garden hose will remove most airborne dust and dirt.

Extra-Strong Nail Hem

Take a closer look. Concord is fortified with a rolled nail hem for extra-strong wall attachment. In independent laboratory tests, Concord withstood windloads up to 310 km/h (193 mph).*

Genuine Value

Like many people, your home may be your most important investment. Concord vinyl siding not only will create an elegant, worry-free exterior, it will heighten your home's curb appeal as well. And in today's resale market, a beautiful, low-maintenance finish can greatly enhance the value of your home.
